The staff and volunteers of the Montour Area Recreation Commission (MARC) are working hard every day to care for Hopewell Park and more than eleven miles of trails on the Danville Borough Farm. In 2025, we're excited to finally build the new asphalt paved pump track!

Please donate today to support the amazing opportunities at the Hopewell Park / Danville Borough Farm Trail System.

In return, you'll get a 2025 MARC Park & Trail Supporter sticker so you can show the world you're helping to care for and build what matters to you.
