

Welcome to Montour County's first purpose-built mountain bike trail network. Built by mountain bikers for mountain bikers, the Hopewell Park / Danville Borough Farm Trail System is designed to challenge experienced riders while still allowing beginners to enjoy a great day on the trail.

We've made use of all the fun terrain and features man and nature offered and added enough twists and turns to keep you coming back for more. With a pump track and jumps area right beside the parking lot and more than ten miles of trails built so far, there are plenty of options to keep you riding.

The Montour Area Recreation Commission is grateful to the many volunteers who have given their time and talents to make these trails a reality. To learn more about these trails and the other projects we're working on, as well as opportunities for you to get involved, please visit

### TRAIL RULES / SUGGESTIONS FOR A GOOD DAY ON THE TRAILS

These trails are purpose-built for mountain biking and are designed to be ridden in a specific direction. To maximize your riding pleasure and minimize nasty head-on collisions, **please follow the trail signage.**

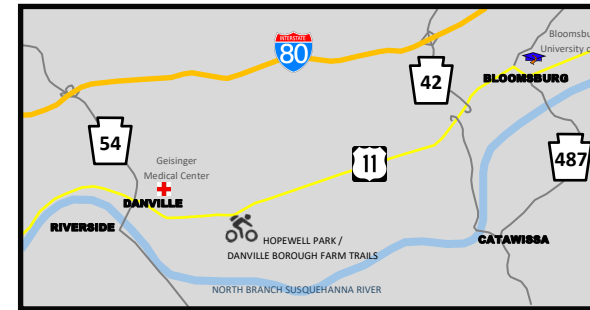

For your own safety and so that we can keep these trails open, **stay on the trails at all times.** Even though we're sure you're awesome, the trails are your best bet to get home without a detour to the local emergency room. Portions of these trails pass through a closed landfill and glass, metal, and other fun-ending hazards can and will wreck your day if you try to blaze your own trails. The trails are also close to farm lands, private property, and restricted sites. For your sake—and ours—stay on the trail.

These are multi-use trails in a multi-use recreation area. If you're on your bike, you are very likely to encounter people doing things other than riding. In particular, **hunting is allowed on this property by special permit from Danville Borough** and hunters have been using this site long before these trails were built. Respect other park users and be good ambassadors of your sport. Our continued use of this park depends upon your good behavior at all times.

To avoid dangerous interactions between user groups during hunting seasons, **these trails are closed to all users except hunters with Danville Borough hunting permits during the following periods:**

- Saturdays during the spring gobbler turkey season (typically the last Saturday of April through the last Saturday of May, as determined annually by the PA Game Commission)
- Saturdays during archery season (typically the last Saturday of September or the first Saturday of October through late November, as determined annually by the PA Game Commission)
- All days during the antlerless deer muzzleloader season (typically a one week period in mid-October, as determined annually by the PA Game Commission)
- All days during the regular firearms antlerless and antlered deer seasons (typically the last Saturday of November through the second Saturday of December, as determined annually by the PA Game Commission)
- Sundays during any of these time periods when hunting is allowed by the PA Game Commission

In the end, you are making a voluntary decision to ride these trails and you have been advised of some of the perils of doing so. There are potentially hazardous conditions both on and off-trail and you may encounter unexpectedly dangerous acts of man and/or nature. Anything could happen out there, so be prepared. **You are choosing to ride at your own risk.**

Hopewell Park / Danville Borough Farm Trail System  
1758 Montour Blvd, Danville, PA 17821  
(40.959821° -76.575127°)

#### DIRECTIONS FROM I-80:

- From I-80, take exit 224 (Danville)
- Follow PA-54 East for 2.9 miles toward Danville
- Turn left onto US-11
- Follow US-11 North for 2.3 miles to the trails on your right (just after Sheetz and Woodbine Lane on your left; look for wooden sign for Hopewell Memorial Park)
